

Dear Parents,

### **Reading challenge**

It has been great rewarding the children for their reading. This week we have had quite a few children who had read at least 5 times and were able to receive their 5 dojo points. Please remember that we reward the children for each day they have read and it's not for how many books they have read. Some books are much longer than others and will take longer to read. Thank you for your support.

### **Literacy**

This week in literacy we are writing our own 'The Queen's Knickers' related story. The children are focusing on using capital letters and full stops. Those who are confident with these have been focusing on trying to add adjectives to their writing.

### **Maths**

In maths we are learning about counting in 2s, 3s, 5s and 10s. Next week we will be moving onto our next unit, addition and subtraction.

### **Homework**

Spelling - Please allow your child to login to Spellingshed and practice the spellings we have set for them.

We will be checking Spellingshed every Monday to make sure children have completed their spelling homework. Dojos will be awarded to those who have.

Maths - <https://play.edshed.com/number> (same login as Spellingshed) Children should complete number bonds to 10 activity. If your child is confident with this, they can complete the number bonds to 20 activity.

English - Adjective alphabet. Children should try and think of an adjective for as many of the letters as they can. There is an optional challenge question too.

Many thanks for your continued support,  
Mrs McBride, Mrs Vernon, Mrs Bond and Mrs Nixon
