

23.10.19

Dear Parents,

The children made us proud at Jathra Indian restaurant last week. We were given lots of food including onion bhajis, chicken tikka masala, chicken korma and pilau rice. We were surprised at how keen the children were to try all the different foods.

Thank you to Mr Kernes and Mr Cunningham for coming into school to talk to the children about South African and Northern Ireland.

This week in literacy we are writing up last week's events. In maths we have been using a number line to take away 1 and 2-digit numbers away from a 2-digit number. We will be beginning to teach column addition over the next couple of days and will continue with this after the holidays.

We have sent the Nativity scripts home so the children can begin to learn their lines over the holiday. Please support them with learning how to project their voices because as you know, there can be quite a bit of background noise in the hall when it's full of people.

Homework

Spelling - Please allow your child to login to Spellingshed and practice the spellings we have set for them.

Topic - After the half term holiday, the children will be learning about the continents. Please support you child in finding out some facts about a continent of their choice. They can present their facts any way they like, e.g. written on paper, PowerPoint, through artwork. This homework does not need to be handed in until after the half term holiday.

Nativity - Please help your child to begin to learn their lines.

Many thanks for your continued support,
Mrs McBride
