Year 4 Newsletter

Friday 20<sup>th</sup> September 2019

Maths: The children have been using their place value knowledge to identify multiples of 1000..

Literacy: The children have been building an atmosphere that will enable them to describe the setting from a story.

Homework: This week, I have uploaded spellings and times table practice onto the spelling shed.

I am still encouraging the children to read as often as possible at home. If you have witnessed your child read or you have listened to them read yourself then please sign their reading record.

Thank you once again for bringing in the materials for up and coming science project. It is much appreciated!

Have a wonderful weekend!

Kind regards Mr. Acton
