

St Benedict's Catholic Primary School

As unique individuals, we do our best in work and play, for the love of God.

Year 3 Newsletter

Date: 7.9.20

Last Week in class

Literacy – In literacy last week the children were learning all about their new text, 'Jemmy Button'. They have written predictions and setting descriptions.

Maths - In maths last week the children revised numbers to 100. They practised adding and problem solving.

Important Dates

News

This week we have introduced the Respect wall to the children. Each day we have a new target for the children to achieve, e.g. To show respect we listen carefully in class. When your child is seen doing this, we will add their name to the respect wall. If your child has been on the Respect wall every day that week, they will be 'tweeted' on the Friday.

In future, we will be sending the newsletter out to you on Fridays.

Reminders

Please ensure all children have a raincoat and water bottle in school each day.

PE is taught on Mondays and Fridays – please ensure your child has a PE kit in school.

Reading books are changed on Mondays, Tuesdays and Wednesdays. Please ensure your child has their reading books in school **every** day.
