

RISK ASSESSMENT FOR THE FULL OPENING OF SCHOOLS FROM SEPTEMBER 2020

Name of School		Date of assessment	Review date
St Benedict's Catholic Primary School		September 2020	October 2020 March 2021 July 2021
Name and Position of Assessor(s):	Hannah McGuire	Assessor(s) Signature:	
Headteacher's Name:	Hannah McGuire	Headteacher's signature:	
Chair of Governor's Name:	Lucy Maudsley	Chair's signature	

The risk areas below can be used as a guide, but schools may want to adapt this for their use.

<p>RISK PRIORITY</p> <p>HIGH: Accident likely - with possibility of causing serious injury or loss</p> <p>MEDIUM: Possibility of accident - causing minor injury or loss</p> <p>LOW: Accident unlikely - with control measures in place</p>

OFFICIAL

5 steps to Risk Assessment

1. Identify the hazards
2. Decide who may be harmed
3. Identify the control measure already in place
4. Evaluate the remaining risk (High, Medium, Low)
5. Identify any further action needed to reduce the risk to the lowest *reasonably practicable* level

Hazard identified	People at Risk	Existing Control Measures in place	Risk Priority (High, Medium, Low)	Additional Controls Required to Minimize Risk
A. Responding to Someone with Symptoms				
	Pupils, parents and staff	<p>Parents and staff informed in writing and on video that they/children should not present a school if they have symptoms and that they will be expected to immediately collect children should symptoms be displayed.</p> <p>PHE information shared with all stakeholders informing them of the steps they should take if they have symptoms.</p> <p>Step by step process for a 'code blue' issued to staff. Pupils will be immediately isolated in a well-ventilated room (window open) awaiting collection by parents.</p> <p>Staff Head/SMB or Admin will accompany the pupil and will wear PPE equipment. Every adult in school has been provided with PPE which they store in their classrooms in a clearly names plastic wallet. Cleaning equipment/ extra aprons/gloves are stored in the drawer in the Head's office. Children will sit in</p>	High	

OFFICIAL

Someone with symptoms infects other members of the school community		<p>the well-ventilated area (intervention area). All PPE or equipment used in this area will be disposed of or sanitized. Member of staff will wash hands thoroughly for at least 20 seconds after being with the symptomatic person.</p> <p>Area will be cleaned thoroughly as soon as the person has left the area. Including disposing of contaminated items correctly as per the guidance (tissues etc). The area will be sprayed with the hydrophoric acid solution (spray gun foggers – COSHH assessment with the Site Manager and shared via email with all staff).</p> <p>Information explaining how to get a test has been shared.</p> <p>Staff have been shown how to wear and dispose of PPE.</p> <p>Policy shared with parents and staff detailing how school will deal with an outbreak.</p> <p>Staff will test using a Lateral Flow Test twice weekly and will isolate following a positive result.</p>

OFFICIAL

<p>of social distancing</p>		<p>work with the same children. Videos have been shared with pupils around social distancing. Where possible, visitors to school will take place outside of school hours, records will be kept of those who visit using the signing in system Risk assessments for trips and performances will include COVID measures.</p>		
------------------------------------	--	---	--	--

E. Personal Protective Equipment (PPE)

<p>Virus will be transmitted because PPE is not used appropriately</p>	<p>All pupils, parents and staff</p>	<p>PPE will only be used when staff are supporting a pupil with symptoms Staff will be issued with guidance for using and removing PPE correctly. All staff supplied with clearly-named PPE to be kept in plastic wallets in their classroom. Spare PPE is kept securely in site manager's office. Site Manager will maintain and monitor stocks and replenish when necessary.</p>	<p>High</p>	
---	--------------------------------------	---	-------------	--

F. Managing Symptoms, Testing and Responding to a Local Outbreak

<p>Virus will be transmitted due to a lack of testing and tracking</p>	<p>All stakeholders and wider public</p>	<p>The school has communicated to staff members and parent/carers the need to book a test if they are displaying symptoms and has shared details of how to get a test on the parent video and the parent factsheet.</p> <p>Records of contact between groups will be kept and records of visitors will be held on the electronic system.</p> <p>School have a plan to act swiftly and flow charts to follow if symptoms present.</p> <p>Headteacher will contact local public health team for advice if a case presents</p> <p>Email Candmhpu@phe.gov.uk; PHE.candmhpu@nhs.net Telephone 0344 225 0562 (option 1) Out of hours advice 0151 434 4819</p> <p>School will use the Local Authority template letter for sharing advice from PHE</p> <p>Contingency plans are in place for learning if a bubble needs to close using Google classroom. All parents have been provided with log in details to set up their child's account so that they can access remote learning. Staff have received training.</p>	<p>Hgh</p>	
---	--	--	------------	--

G. Risk Assessment

	<p>All stakeholders</p>	<p>Risk assessment completed and shared with all staff and governors and shared on website. Updated version shared with Chair on 16th July 2021</p> <p>Site manager has been consulted and has drawn up a revised cleaning schedule.</p>	<p>High</p>	
--	-------------------------	---	-------------	--

OFFICIAL

<p>An inadequate analysis of the risks means that risks remain</p>		<p>Staff will be consulted on the INSET day and given opportunity to raise concerns. The risk assessment will be shared in writing.</p> <p>Changes will be actioned in good time for school opening.</p> <p>RA will be reviewed and/or updated each half term.</p>
