Safer Recruitment Policy

**Adopted by St Benedict's Catholic Primary School : April 2020
Review date: April 2023**

ST BENEDICT'S SAFER RECRUITMENT POLICY

1. INTRODUCTION

1.1 This policy has been developed to embed safer recruitment practices and procedures throughout **St Benedict's Catholic Primary School** and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in '*Safeguarding Children and Safer Recruitment in Education-January 2007*' and in Keeping Children Safe in Education. 2014.

1.2 This policy reinforces the conduct outlined in the Government Office North West '*Guidance for Safer Working Practice for Adults who Work with Children and Young People*' as well as the school's whistle blowing policy all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.

1.3 This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies,
- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people.

1.4 **St Benedict's Catholic Primary School** is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.

1.5 As an employer we are under a duty to refer to the ISA, any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.

1.6 There is no place for extremist views of any kind in our school, whether from internal sources – pupils/ students, staff or governors, or external sources – school community, external agencies or individuals. Our pupils/ students see our school as a safe place where they can explore controversial issues safely and where our teachers encourage and facilitate this; we have a duty to ensure this happens. The school will adhere to the Government Prevent Strategy and will refer any allegation or information about an adult that indicates that they may be unsuitable to work with children because of concerns relating to extremism and radicalisation immediately in line with the procedures outlined in our Policy for the Prevention of Extremism and Radicalisation.
