PE

Here's a short video to get you moving.

<https://youtu.be/fpD9kRyBn8o>

Maths – Comparing lengths

Revise how there are 10mm in 1cm and 100cm in 1m.

What would you measure a bus in? What would you measure a pencil in?

Which is longer, a centimetre or a metre?

What is the difference between using taller than and longer than? When would we use taller than instead of longer than?

Revise < > = signs (greater than/less than/equals)

Choose 2 objects from around the room. Measure both objects and compare the lengths using < > or =

Try this again, but this time measuring the height of your family members.

Literacy – Retelling the start of Robot the No-bot

Watch the video below

<https://www.bing.com/videos/search?q=youtube+nobot+the+robot&view=detail&mid=54A0DDF66F0F7769A39C54A0DDF66F0F7769A39C&FORM=VIRE>

Write out the middle of the story. Remember to include question marks, possessive apostrophes (e.g. Bernard's) and contracted words (e.g. he'd).
