

## Working from Home 20<sup>th</sup> March 2020

### Maths

Please continue to use the link from yesterday to work through the fraction games. Fractions are a large and important unit of work in year 5

<https://www.topmarks.co.uk/Interactive.aspx?cat=24>

If you have signed up for the free resources from Twinkl search for Year 5 Fractions to access worksheets. There is no need to print them just work through some making a note of answers. See link from Home Learning Websites for guidance on how to access and sign up for Twinkl.

### Times Table Challenge (15 minutes)

In place of our usual time-table challenge. Please use

<https://www.topmarks.co.uk/maths-games/hit-the-button> start on the times table you were up to on the challenge in school. Please do not just do ones that you already know or are quick at! You can also practice times tables on Maths Shed which is accessed through Spelling shed with the same log in details.

### Spellings

Please continue to practice this week's spellings on spelling shed. You can play any of the usual games/ strategies that we usually do in class also (spelling bee, be the teacher, crosswords, spelling graffiti). You could also practice writing them in sentences/ a paragraph of writing.

### RE

The Sacrament of Reconciliation PP questions included.

### P4C (Philosophy for Children) - Dangle

Watch this short video (with your family if you can)

<https://vimeo.com/channels/618647/46383515>

- Discuss what happens in the video
- What would you have done
- What questions do you have from it – write them down to discuss

*Questions like: Is being curious a good thing? Is having too much power bad/good? What would life be like if it was always day or night? Are we*

*responsible for the consequences of our actions even if we didn't mean for something bad to happen?*

## **PE**

Make sure you get some exercise. As we have been doing interpretive dance in PE you could choreograph one to perform to your grown-ups. If you have any siblings, you could include them. Remember to warm up and cool down before and after.

## **Spanish**

Give your parents a Spanish Lesson about anything you have learnt so far in school.
