

Year 5 Home Learning Monday 23rd March 2020

Hi Year 5, I hope you have had a relaxing weekend and have been helping your parents out around the house! I am thinking of you all and I am so sad that I wasn't able to be there on Thursday and Friday, though I know you had a great time with Mrs Browne.

Today in school we would have PE, Guided Reading, Literacy, Music (trumpets), and Art/DT. Here are some things to do at home instead:

PE

Use the school's Twitter feed to access one of Mr Acton and Tony's PE lessons. If you can, get your families involved. It is important that you get plenty of exercise (and enjoy the weather while it is nice). You could try some yoga in the garden, I will be.

The Body Coach, Joe Wicks, is also doing live children's classes at 9am Monday – Friday, try one of those this week too.

Guided Reading

<https://stories.audible.com/start-listen> Audible have made some audio books free to listen to, no need to subscribe or log in. Choose one of the books and listen to some of it every day. I am going to start listening to a Classic – **The Secret Garden – By Frances Hodgson Burnett**. There are two pages to choose from with many different Genres.

The Secret Garden
Written By: Frances Hodgson Burnett
Narrated by: Johanna Ward
Length: 8hrs 10mins
★★★★★ (320)

Synopsis
Mary Lennox, a spoiled, ill-tempered, and unhealthy child, comes to live with her reclusive uncle in Misselthwaite Manor after the death of her parents. There, she meets a hearty housekeeper and her spirited brother, a dour gardener, a cheerful robin, and her willful, hysterical, and sickly cousin, Master Colin.
With the help of the robin, Mary finds the door to a secret garden, neglected and hidden for years. When she decides to restore the garden in secret, the story becomes a charming journey into the places of the heart, where faith restores health, flowers refresh the spirit, and the magic of the garden, coming to life anew, brings health to Colin - and to Mary, happiness.

Please make sure you are reading something every day, those of you that took a copy of Cogheart home please continue with that. Those of you that did not, I will record myself reading it and see if I can get this on the website to listen to.

Literacy

We have already learnt the important features of writing a Diary Entry I would like you to start your own diary. We are entering what will be a monumental historical period.

Write a few sentences/diary entry each day. On a laptop/tablet or if you have a nice journal/notepad handwrite it.

This is going to be a huge part of the world's history and you will be able to share your first-hand experiences with your children and other future generations.

Music

Me Eccles would like for you to continue to practice your trumpet pieces. You all were given a copy of the music. You must continue to practice, every single one of you was making excellent progress.

Those of you that do not take your instruments home can use You Tube to access the songs you had been learning to perform that do not require the trumpets.

Art

Children across the world have been drawing/colouring/painting rainbows to post in their windows to spread hope across the world. If you have crayons/paints or any other art supplies, please produce one. You could do one on a PC or tablet and print it if you are able to. You don't have to put it in your window.

Extra Task

Ask your parents what you can do for them today. They will need your help whilst they are working from home too. Start a list of all of the things you do and we will have a prize draw once we return to school.

- Continue to read, practice spellings, and Times Tables, watch Newsround everyday as usual

Thinking of you all, stay safe.

Miss Broderick
