

# Year 5 Home Learning Tuesday 31<sup>st</sup> March 2020

## Collective Worship

<https://www.youtube.com/watch?v=IFBZJGSgyVQ>

Listen to My Lighthouse by Rend Collective. What is the important message from this song? Can you find a piece of scripture that fits with the song. What could your mission be today based on the lyrics?

## English

Using the planning sheet that you completed yesterday write the beginning and build up of your steampunk narrative (story). You can send me drafts to look at and mark. I would love to read them. **Parents and Caregivers – you can email any of your child’s work or pictures of work to [homework@stbenedicts.cheshire.sch.uk](mailto:homework@stbenedicts.cheshire.sch.uk) . Please make sure you put your child’s name and year group in the email subject header.**

## Guided Reading

Listen to Chapter 11 of Cogheart and predict what you think will happen next. Make sure you do some independent reading too.

## Maths

This week continue with the decimal unit of work from White Rose Maths Week 2 Lesson 1. Watch the short lesson and complete the activities – either print the pages or just write the answers down.

[Lesson 1 Step 6 Rounding decimals](#)

The screenshot shows the White Rose Maths website interface. At the top, there is a navigation bar with links for Resources, Professional Development, Home Learning (highlighted), Who We Are, and News. A search bar and a Premium Resources Centre icon are also present. The main content area is titled 'Lesson 1 - Step 6 - Rounding decimals'. It features a video player with a 'Flashback 4' video titled 'Year 5 - Week 2 - Day 1'. The video content includes four questions: 1) Write  $2\frac{18}{1000}$  as a decimal number (2.018), 2) What is the 6 worth in 3.62? (6 tenths), 3) Work out  $4 - \frac{2}{7}$ , and 4) How many boys are there altogether? (A table with columns 'Boys' and 'Girls' and rows 'Year 5' and 'Year 6'). To the right of the video are two buttons: 'Get the Activity' (Lesson 1 - Y5 Spring Block 3 WO6 Rounding decimals 2019) and 'Get the Answers' (Y5 Spring Block 3 ANS6 Rounding decimals 2019). A sidebar on the right lists 'Home Learning' resources for Early Years, Years 1 through 8.

## Science

See Space Power Point from Mrs Browne.
