

31.01.2020

Dear Parents and Carers

As we are progressing into our 'Inspirational People' unit of work in RE the children are producing some wonderful presentations as part of their optional extra homework. It would be lovely to learn and share if there are any inspirational people in your family.

This week I sent out their Maths papers from our recent assessments, this was just for them and you to have a look at. We have been doing maths morning activities to ensure they are building confidence in some of the areas that they found tricky on the papers. If you have any concerns or worries please contact me.

Homework

Spellings – Spelling Shed **and** worksheets (tests on Thursdays) there is only a small number of pupils completing the spelling shed assignments online, these need to be done as well as the sheets, as these are just for extra practise. Please share the challenge words with the children. They are the same as last weeks as the children told me that they had not practised them.

Maths – division consolidation (please ignore how the book instructs to calculate, the children should use the short division method we have learnt in class)

Writing – diary entry writing

Optional extra homework, please see Spring 1 grid.

Reminders

- PE continues to be on Monday and Fridays – kit required to participate. Friday's PE is often outside therefore PE hoodies should be in school.
- Trumpets - Monday at 1:30pm
- We will be writing newspaper articles next week, please can you send in any unwanted newspapers

Spellings
knight
wreckage
writer
knowledge
knuckle
wreath
pterodactyl
mnemonic
wrestler
knife

Have a lovely Weekend
