

Year 6 Newsletter 18th October

Important information:

Behaviour:

Year 6 did a fantastic job this Friday during our Harvest Festival. They sold so many vegetables from Shenton's Farm and were so helpful and polite. All week they have worked hard and developed many skills in geography week. We all need to continue following the golden rules to the best of our ability.

Faith in Action

Recently, Year 6 have all started an award called Faith In Action. Each child is creating a scrap book of all the tasks/events/worships etc that they take part in or lead. This can be anything we do in school to support our faith in action or at home. Please support your children if they wish to bring in photos/information about how they celebrate and put their faith into action!

High School

Please ensure you have completed your high school application – they are due on 31.10.19

Homework:

- Read 4 times (anything you can!)
- Spellings
- Study Ladder – 4 division mental strategies. (we are learning about short and long division next week so get practicing!)

If you have any questions, please ask any of the Year 6 team.

Mrs Bancroft, Mrs Browne and Miss Barker.
