

Year 6 Newsletter 25th October

Important information:

Year 6 have had a fantastic half term! They have been following the golden rules incredibly well and have been noticed by many members of staff and the community for being particularly kind, helpful and mature. Let's keep it up into the next half term!

In our first week back, we have bikeability on the 5th and 6th of November. Remember your bikes!

Homework:

We haven't set any studyladder homework for the holidays.

However, please can you ensure you read plenty (about 5 times!) over the holiday.

Also, we would love for you to write something to share with the class. It could be a report on geography week, a spooky Halloween story/poem.....anything you like!

We will be sharing them as a class on the first Monday back.

Enjoy the half term! Make sure you rest and have lots of fun 😊

If you have any questions, please ask any of the Year 6 team.

Mrs Bancroft, Mrs Browne and Miss Barker.
