

Year 6 Newsletter 8th November

Well done to all those children that took part in bikeability and achieved the level 2 certificate.

We have been thinking about justice in our world this week and how we can make our world better. This links nicely into our Faith In Action Homework.

Homework:

Read 4 times at home. Spelling shed games.

Complete something that can count towards our faith in action award and bring in evidence of your action (a photo, drawing, writing etc).

E.g. Pray with your family – it could even be like a collective worship

Attend a church mass

Bake something for a neighbour

Send a thank you card to someone special

Share a message from the Bible

Create a story to share with your buddy about your religion.

Make a powerpoint about Faith In Action

You have 2 weeks to complete this part of the homework so it needs to be complete by Friday 22nd November.

If you have any questions, please ask any of the Year 6 team.

Mrs Bancroft, Mrs Browne and Mrs Barker.
